MISSIONARIES OF THE WEEK

Dr. Bobby & Linnet Gupta

Hindustan Bible Institute, Chennai, India

Praise:

- We are very thankful that no one on our campus was hurt during the recent flooding.

Prayer Requests:

- Chennai has had the most significant amount of rain in 45 years. However, the biggest challenge was that water had to be released from several reservoirs where the dam was at risk. Consequently, in many parts of our city, there was as much as 12 feet of water which created much destruction! Over 100 running feet of wall fell, and trees have fallen everywhere blocking roads in areas of the city.
- On HBI's campus, almost all our offices were flooded. The flood impacted anyone staying on the ground floor, and they had to leave their homes. Most moved to guest facilities on the second floor or to the second and third floors of homes on campus. Our compound wall fell along the southern part of the campus, beside the river, and several trees were uprooted.
- Our estimate of damages on campus is about \$30,000. We have approximately knee-high water in parts of our campus and are checking to see how it can be pumped out. We are hoping to raise an additional \$100,000 to \$120,000 to serve the community.

If you feel the Lord leads you to help, you can send to:

HBI Global Partners, P.O. Box 3037, Broken Arrow, OK 74013
