

Welcome

Hello, Parents and Players! This is the third and final **2019 Chess Camp** for the Revive Church Kids Chess Club! Our goal of this Chess Club is to provide a fun learning opportunity in a Christian setting. True victory means the club activities have Jesus at the center to help build these kids mentally and spiritually.

The purpose of this **Chess Camp** will be to teach the players General Principles, Move Logic, and Coordinating Two Pieces in the Middle Game (to achieve advantages in time, space or material). Players should take notes during the lessons. This camp will be four hours of learning chess, including a speed chess tournament. There will be 1st, 2nd & 3rd place medals and prizes, *as usual!*

You can use the strategic lessons of chess in other areas of your life – especially your walk with Jesus. The real victory is being part of His Kingdom with Him as King of your life.

So come and enjoy this final **2019 Chess Camp!**

– Mr. Jay
