## MISSIONARIES OF THE WEEK

### Matt & Karissa Long

Ty, Wyck

Ethnos 360 (formerly New Tribes Mission)  
Supporting Missionaries Doing Church Planting in Papua New Guinea

#### Praise God:

- We are so thankful to be a part of this team.
- Growability has been helpful so far. This organization is here to help us improve and grow in team and people skills, as well as in goal setting and planning.
- Karissa spoke to our youth about healthy friendships.
- We can see God working in all situations.

#### Please Pray:

- For unity among our leadership team.
- For wisdom and grace to handle difficult situations well.
- That we can love others well and point them to Jesus.
- For the health of our family as we keep fighting sicknesses.
- The only jet fuel provider for the country and one of the main suppliers of diesel and petrol has stated that they are unable to supply any fuel until further notice. With a limited amount of reserve, contingency plans must be implemented, and decisions must be made to wisely provide for our centers and teams in remote locations. Please pray for a quick resolution to the country’s fuel situation, for the people of PNG affected by it, and for the missionaries of NTM PNG needing to adjust.
