MISSIONARIES OF THE WEEK

Bobby & Linnet Gupta

Hindustan Bible Institute, Chennai, India

Praise God:

- Both Linnet and I are encouraged by the saints on what God is doing in our lives through the ministry in India and Nepal.
- The construction project is making progress. The digging is completed, and we can start to build now.
- We had a short-term team here last month. They were able to do significant ministry in 10 days.

Pray For:

- Linnet and I as we travel over the next eight weeks.
- HBI College as they will be helping the graduating class complete their requirements to graduate. Also pray for the students as they look to get placed in a ministry.
- The construction project as we try to raise the needed funds for this year. We still need to raise \$800,000 before the end of this year to keep up with the construction.
- The construction workers' safety and the progress of the work.
- The 1,300 church planters serving God in a context of persecution. Pray people will come to know the Lord and churches will be established everywhere.
- The new group of MTI students that we will be inviting into the movement to grow the task force and further the vision.
- The eight regional training centers as they plan together to disciple the region through enabling church planters and mobilizing the church to multiply churches in the region.
- HBI Nepal as they serve the church to disciple the nation.
